# to be an Ambassador for **INTERNATIONAL NEEDS!**

In doing so I will seek to promote International Needs in my communities, seeking by God's grace to raise \$1000 a year to help the poorest in our world. The commitment is initially for a year and then reviewable at the beginning of each year.

I realise in being an Ambassador of International Needs, I will always seek to operate in a way that will bring honour to International Needs and our Saviour Jesus Christ.
